there is incentive too. The main idea is that we want to create a great night around our community. Also, we have a PA, good gear, plenty of well priced food around the hood and you can bring it inside too! Originals and covers welcome.

If you are bringing a drum set try and make it minimal, meaning bear bones, same goes with amps etc. If you have a-lot of people in your set and know will take time to set up just e-mail me and we can work something out. Sign up is at 8:30pm and starts at 9. Hope to see you all there.

Thanks! And feel free to contact me with any questions. Feel free to contact the Rockit Room too. 415-387-6344

We are hosting the open mic this Tuesday in the inside dining room. Play your original music, play some covers, jam with others, or demonstrate your virtuosity. Just make sure you have a good time. Music is generally acoustic but we can run an electric bass through our board. There is also a piano available.

Many performers who have played the open mic have been recruited into playing regular gigs. With three stages for live performance and the winter season kicking in, we are always on the lookout for new talent.

Angelica's serves from an excellent dinner menu and superb wine/beer list. It is a great place to bring your family and friends for dinner and drinks and be entertained by some of the bay area's phenomenal up and coming artists. show starts at 6:30pm

We have just started the open mic up and are looking for local bay area Song-writers/musicians to help fill the night. As we are still getting off the ground I give everyone 4 songs, which is more than any other open mic that I know of. For now its a first come basis but if you are running late or have any questions just e-mail me at diminish9h@aol.com and I would be happy to work something out with you. If you have not been to the Rockit Room you should come and check it out as it is a very cool room with great sound and free Popcorn and Fantastic drink specials every wed night! It is a music venue and the people that come out with their friends and music together on open mic wed will get considered to open for bigger acts, so there is incentive too. The main idea is that we want to create a great night around our community. Also, we have a PA, good gear, plenty of well priced food around the hood and you can bring it inside too! Originals and covers welcome. If you are bringing a drum set try and make it minimal, meaning bear bones, same goes with amps etc. If you have a-lot of people in your set and know will take time to set up just e-mail me and we can work something out. Sign up is at 8:30pm and starts at 9. Hope to see you all there. Thanks! And feel free to contact me with any questions. Feel free to contact the Rockit Room too. 415-387-6344</p> <p>You can also contact me through</p>
